

Ahmed Hazem

Software Engineer

Pyramids Gardens, Giza, Egypt

+2 0 111 453 453 0

ahmed_hazem_refaie@hotmail.com

Career Objective

Establishing an excellent career in software engineering, to reflect my exceptional knowledge and technical skills.

Education

Oct. 2019 - Date

9 Month Profesional Diploma Of Ministry of Communications and Institute Technology (MCIT)
"Open Source Track"
github.com/ahmedHazem-iti

Sept. 2014 - Jun. 2019

Bachelor of Science in Communication Engineering Delta University For Science & Technology.
GPA :3.75
Graduation Project: *"Bionic Arm For Surgery Remote System"*
Grade: "Excellent"

Professional Experience and Training

Jan. 2019 - Mar. 2019

Embedded System, Robotics, and Mechanical Design
Course at AI. Academy.

Jan. 2019

Cloud Computing & Artificial Intelligence IBM Workshop
from "Delta technopreneurs association" DTA.

Aug. 2018 - Oct. 2018

Summer Training at Egyptian Company for Cosmetics
"ECC" (Control Systems Engineering).

Technical Skills

#FrameWork

• Django • Odoo • Rails

#Backend

• Node JS • MongoDB • Mysql • PHP
• Python • Java SE • Express JS

#frontend

• Angular • HTML5 • jQuery • React JS
• Bootstrap • CSS3 • JavaScript • Ajax

#C

• C++ • C • C_Embedded

Awards

- First Place in the Graduation Projects Competition at **International Egypt Japan-Africa Conference on Electronics and Computations.**
- First place in the **Graduation Projects Competition** at Delta University.

Languages

- Arabic: Native
- English: Intermediate
- Deutch: Basic

Extracurricular Information

- Participated in the **Egyptian Engineering Day (EED)** graduation projects competition in Sept. 2019.
- Participated in **Global Forum For Higher Education And Scientific Research (GFHS)** in Apr. 2019.
